Stage Sets

The image shows a grand, multi-level theater with a vaulted, arched ceiling. The ceiling is covered in a grid of lights that project a pattern of yellow stars. The theater is supported by numerous tall, slender columns. In the foreground, there are balconies with railings. In the center, a stage is visible, featuring a large screen displaying a woman in a pink dress. The stage is flanked by red curtains and decorative elements. The overall atmosphere is one of a high-end, modern performance space.
